250 ml

FACE WASH

Ideal for all skin types, including sensitive, this refreshing face wash, cleanses all of the impurities, make up and excess oil, whilst leaving skin hydrated, more firmer and luminous after the daily use.

Benefits:

- Spinach- power of radiance
- Hyaluronic acid- power of hydration
- Chamomile- power of soothing

ERIDAN ESSENCE

The essence is an alcohol-free composition, enriched with water components of rose Damascene and green tea, aloe vera, vitamin B5 and lactic acid. This type of product is a “must have” in every evening skincare routine, for the first time on our market, with the role of toning the skin, hydrating, optimizing the pH value of the skin, narrowing the pores, and preparing for serum and cream, so that every product that applied after the essence, it works five times deeper and at the same time faster. Thanks to the presence of lactic acid, the essence has a mild exfoliating property, which contributes to the narrowing of pores and whitening of spots.

Benefits:

- Lactic acid - the power to whiten skin and narrow pores
- Rose Damascena - the power of antioxidants
- Aloe Vera - the power of nourishing the skin

Micellar Cleansing Balm

125 ML

MICELLAR CLEANSING BALM

Micellar Cleansing Balm is a gentle and effective make-up remover, which turns from a balm into a creamy and oily foam and thus removes all impurities from the face.

Benefits:

- Almond oil deeply nourishes the skin with vitamin B complex and regulates wrinkles
- Rice oil – has a large amount of antioxidants and ferulic acid that contribute to narrowing pores and fighting free radicals
- Shea Butter – contributes to the hydration of the face and increases the elasticity of the skin

COLLAGEN FACE MIST

Collagen Booster is a thermal facial water with collagen molecules in the form of a tonic. Collagen Booster is a natural formulation for improving the structure and elasticity of the skin and reducing skin aging factors, already after 4 weeks of use. In addition to collagen molecules, which contribute to its freshness, elasticity and shine, the collagen booster also contains the “youth” vitamin, niacinamide, which makes the skin of the face stronger and more resistant to external influences and constant pollution from the air. It is the main ally in narrowing pores and regulating facial hyperpigmentation.

Benefits:

- Collagen – the power of skin elasticity
- Niacinamide – the power of skin rejuvenation
