

DUO LINK OTG Drive For Android Devices

DUO LINK OTG DRIVE FOR ANDROID DEVICES

Free up space on your Android™ smartphone and/or tablet with PNY DUO LINK OTG. Available in Type-C and Micro-USB versions and offering transfer speeds up to 130MB/s, it is the ideal solution to store, share, transfer photos, videos, music and more from your mobile device to your computer with ease. The modern and lightweight design allows users to switch between transfer digital content between connectors. Simple "squeeze" the sides of the slider and move it side-to-side to reveal the different connectors. The housing is textured for a premium look and it offers ridges on the sides of the slider for a better grip when opening and closing the drive.

FREE UP SPACE

Free up space on your Android smartphone and tablet by transferring videos, photos and more to PNY DUO LINK OTG.

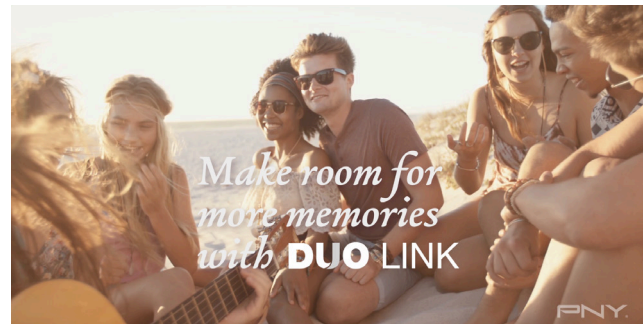

COMPATIBILITY

Compatible with Type-C and Micro USB Android mobile devices and with PC and Mac computers.

SPEED

Up to 130MB/s transfer speed so that you spend more time making new memories.

NEW MEMORIES

Spend less time worrying about running out of space on your mobile device and more time making new memories.
